

SCOUTMASTER J. B. WILSON RESIGNS

George O. Schroder Appointed Successor by Scout Committee.

MERKLE IS ASSISTANT

Owing to the press of business, John B. Wilson has been compelled to resign his position as scoutmaster of Narberth Troop No. 1, which he has held for the past two years. His successor is George O. Schroder, who for the past year has been serving as a member of the troop committee. He assumed charge of the local organization at their regular meeting in the cabin last night.

Thomas Merkley, former member of Troop No. 1, in which he distinguished himself by winning numerous merit badges, has been appointed as an assistant scoutmaster. He, likewise, assumed his official duties as assistant to Mr. Schroder at last night's meeting.

A joint conference between the Fathers Association and the Troop Committee was held in the office of W. Russell Green last Tuesday at which the resignation of Mr. Wilson was received. His work with the Pennsylvania Railroad Company has been enlarged considerably, which requires his traveling over the road, thereby making it impossible for him to be home to attend properly to the work of the boy scouts. In accepting the resignation, Mr. Green, who is chairman of the troop committee, paid a high compliment to the very efficient work done with the boys while Mr. Wilson was in command.

Summer, and week-end camping for the boys was considered by the troop committee at last Tuesday's meeting. It was decided not to hold the annual minstrel show this year because of the fact that by the time the alterations being made to the Borough Hall are completed the season will be too far advanced. Registration for attendance at Camp Delmont will soon be made, announcement of this having been made to the scouts at last night's regular meeting.

Two More Organizations to Use Community Building Next Fall.

In accordance with its new policy of making the Community Building available for use by more local organizations, the Recreation Board announced this week that the Woman's Community Club and the Evangel Circle of King's Daughters will be located there beginning next fall. The building is used at the present time by the following organizations: American Legion, Legion Auxiliary, Girl Scouts and the Library.

The Recreation Board also wishes to reiterate its warning concerning the use of the playground as a golf course. It does not object to putting practice but any strokes which lift the ball off the ground are banned. Houses, children, baby carriages and Community Building windows make the driving of golf balls too dangerous a sport.

GIVE BUGLE CONTEST

At 7:30 tonight the Merion Scout House will be the scene of a contest for the bugling supremacy of the Main Line. The winner will compete in a county championship event June 2.

Local Community Club Members Participate in County Meeting

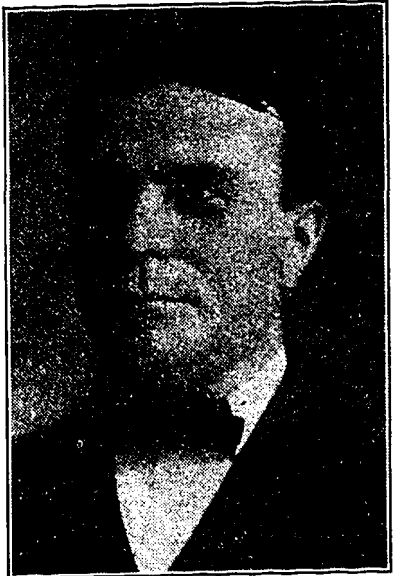

Fourteen members of the Women's Community Club attended the Montgomery County Federation meeting held in the historic St. Peter's Church at Barren Hill. This is a spot made famous by the fact that Lafayette established himself there when he took command in our Continental army and is the first church in Whitemarsh.

The church was a bower of spring flowers as a flower show with prizes for the perfection of blooms, best arrangement, etc., was being held in connection with the

CONCERT FINISHES ORCHESTRA SEASON

Christine Haskell, Pianist, Is Soloist with Main Line Musicians

PROGRAM WELL CHOSEN

A successful and pleasing concert marked the close of the sixth season of the Main Line Orchestra at the Ardmore Theater on Sunday afternoon. Christine Haskell, pianist, was the soloist.

The orchestra of fifty, composed almost entirely of amateur musicians of the Main Line, showed clearly in its smooth and harmonious performance the result of several years' work together under Adolph Vogel, the conductor. Mr. Vogel, formerly a cellist in the Philadelphia Orchestra, whose leading is always able and appreciative, had under his baton an unusually responsive group of players.

The program opened with the

RIDLEY PARK WINS TITLE FROM L. M. H. S.

Pole Vault Loss Is Costly. Down Haverford High in Dual Meet.

A new track champion was crowned Saturday, when the Ridley Park High School team walked away with the Class A Suburban track and field honors at Upper Darby. Lower Merion finished in second place, surprising everyone after having appeared strong enough to make it four straight titles in as many years.

The point score showed Ridley Park with a total of 40 1-3 points: Lower Merion, 35; Upper Darby, 30 1-3; Abington 23 2-3; Norris-town, 17 1-2; Chester, 12; Cheltenham, 11 1-2; West Chester, 5 2-3, and Lansdowne, 4.

Three new marks were set up, the outstanding one being the shot put made by Slezek, of Ridley Park, who heaved the iron ball 46 feet 9 1-2 inches. This betters the

Judging from the preparations being made, Narberth's celebration of Memorial day will be one of the big events of the year here. Like all Gaul, the celebration will be divided into three parts. The first of which is the laying of the cornerstone of the reconstructed Fire House; the second will be the parade leaving from the Fire House immediately after the ceremonies there, and the third is the program at the Community building.

While the first event will not take place till 1:30, they will be so arranged that they will not interfere with the ball game. In fact the two teams will attend the ceremonies at the Community building in a body.

The parade will be one of the most ambitious ones ever attempted in Narberth. All organizations in town and all residents are invited to participate. Music will be furnished by the Drum Corps of the Bristol American Legion Post, which will lead the parade. Among the organizations which are likely to be in line are the following: Narberth Fire Department, Woman's Community Club, Narberth Tennis Association, members of Council as a body, the Boy and Girl Scouts, school children from both public and parochial schools and the Narberth Board of Trade.

Starting from the Fire House with W. Loxley Peebles as Parade Marshal, the line of march will be Essex avenue to Price, Price to Narberth, Narberth to Chestnut, Chestnut to Wynnewood, and Wynnewood to the Community building.

REPORT PROGRESS

Local Harmonica Band Holds Weekly Practice.

The Narberth Harmonica Band with Walter George Case as its sponsor, has made excellent progress in the last two weeks. Approximately 35 boys and girls have joined this new organization. As there is no obligation and the only cost to members is 50 cents for a harmonica it is hoped that the enrollment will be swelled to 100 before long. Lessons are provided free by an instructor who was Philadelphia champion in 1925.

The aptitude of the local youngsters is shown by the fact that they could play America after two lessons. The band will make its first public appearance on July 4. Practice sessions are being held weekly in the hall of the Narberth Theater building on Tuesdays at 4 o'clock, and prizes are offered each week for the player making the most progress. Uniforms will be available in time for the band's debut.

All boys and girls between the ages of 9 and 16 are eligible and may sign up with Mr. Case at the Narberth Electric Shop or show up at one of the practice sessions.

HOLD MEMORIAL SERVICE

The annual memorial service for the Harold D. Speakman Post, of the American Legion and its auxiliary, will be held this Sunday May 27, at the Narberth Methodist Episcopal Church, Essex and Price avenues. The Legion will meet at the church not later than 10:45 and will enter in a body, preceded by the Legion and national colors. All members will wear their caps. It is hoped that all legionnaires will make a special effort to attend this service in memory of their departed comrades.

PARENTS PLEASE NOTICE

Parents are requested to register all children entering school for the first time this coming fall, before June 1, and to report on June 1, if possible, at the Narberth public school for the regular health examination. This will enable the pupil to have any necessary treatment during the summer and be in the best physical condition for work at the opening of the school year next September.

DISCOUNTS CHAIN STORE OPPOSITION

Small Business Has Chance, Balcynar Rotarians Hear.

Problems and possibilities of individual retailers brought on by competition with chain stores were discussed by Robert Fellows Wood, Narberth, advertising manager of the Autocar Company. Ardmore, at the weekly meeting of the Bala-Cynwyd-Narberth Rotary Club held Tuesday noon in the Cynwyd Club.

"The small business man of today is in a position to conduct his business in much the same manner as the big business man," Mr. Wood declared. "The competition is of brains every bit as much as of merchandise."

"Big business" aids—bankers, lawyers, buyers, advertising and sales managers, Babson's reports, Government reports—practically all these are available for the little fellow, too, keeping him posted on economic changes taking place, and on the trend of business in general and in particular."

The speaker cited the case of a Columbia University graduate who enlisted the brains and knowledge of several advisers in her Boston business enterprise, and made it a success, despite lack of former business experience and of financial backing.

"Individual retailers are learning to compete with the chain stores," said Mr. Wood. "They are buying commodities in bulk, through leagues whose combined buying power brings a lower cost. That in itself is a big factor."

"And by the way, it is well to note that the cost of operating a chain store, per unit, is probably no less than that of the individual store."

CLUB LAUNCHES DRIVE

Tennis Association Appoints Teams. Open Day Wednesday.

At a recent meeting of the membership committee of the Narberth Tennis Association, E. P. Dold, chairman, appointed captains of teams and assigned members to them for the campaign which is now under way to secure sufficient membership pledges to enable the club to erect their new building. The proposed new clubhouse will include a large dance hall, card and billiard rooms, bowling alleys, squash and handball courts in addition to tennis, making the club available for all year round use for athletic and social purposes.

The grounds committee announces that Memorial day will be an "open house" day at the club. Everyone interested in tennis is invited to play on the club's courts at Haverford and Montgomery avenues. All that is required is a tennis racket, two tennis balls and tennis shoes. Dinner will be served at the club at 6 (\$1).

The regular Saturday night suppers at the clubhouse will commence this year on the second of June. Mrs. H. Ronald Paige, 227 Dudley avenue, will have charge of them this season.

The team captains and their men are as follows: H. R. Paige, captain, C. D. Herreshoff, H. F. Kairer, S. A. Wilson; H. C. Fenno, captain, R. F. Brown, J. F. McKell, C. B. Metzger, Sr.; A. W. Cameron, captain, R. M. Cameron, W. R. O'Sullivan, H. M. Griest; D. J. McTighe, captain, L. A. Doe, H. A. Decker, W. P. Robinson; J. G. Allen, captain, W. J. Kirkpatrick, A. P. Redifer, Jr., D. J. These teams will cover the borough during the next two weeks from Rockland avenue to Montgomery and Wynnewood road to the railroad bank. The nearby territory, such as Anthwyn Farms, adjacent to the borough, will also be covered.

MULLIGAN STARS IN NARBERTH WIN

Roxboro Defeated 4-3 in Close Game; Make Runs in Lucky Sixth.

The Narberth baseball team broke into the winning column last Saturday when the strong Roxboro nine was defeated by the score of 4-3. Mulligan, Narberth shortstop, was the big factor in the victory. Besides fielding perfectly, he crashed out a long double, which drove in Narberth's first two runs. Not content with this, however, Mulligan stole home on a throw to second and so personally accounted for three of Narberth's four runs.

Masters and Gilfillan, of the home club, and Gerhart, of the visitors, were the big stick wielders of the day. Masters collected four hits in as many trips to the plate, while Gilfillan and Gerhart accounted for three each in four tries.

Squire Fred Blasts Doubts on New Club--But Withholds Names

Doubts that Lower Merion and Narberth will have another Republican organization, to be the rival of the Lower Merion and Narberth Republican Association were blasted this week, and the blasting was done by none other than Magistrate Fred Walzer, of Narberth, who is listed as prime mover and chief organizer of the new political club.

The organization as yet has no name, nor has it elected any officers. Furthermore no names are being revealed of those who are interested

SUMMER SCHOOL TO BE STARTED HERE

School Board to Co-operate With University of Pennsylvania.

TO OPEN ON JULY 2D

Co-operating with the University of Pennsylvania, the Narberth School Board will open a summer school here this year. This is being instituted as the result of a request to the school authorities to co-operate with the summer school of the university by providing a summer school in Narberth at which advanced students might do practice teaching.

The school is open to students of the sixth grade and up and will be operated in the mornings only from 9 to 12. A nucleus of 50 students is needed to insure its success. The summer school will open Monday, July 2, and will continue for six weeks. George H. Wilson, principal of the Narberth schools, will be in charge and teaching will be done by advanced students at the University of Pennsylvania summer school.

The decision was reached at last Friday's Board meeting. The arrangement of final details is being left to Mr. Wilson and Dr. Leroy King, secretary of the local school board. Any persons interested are requested to get in touch with Mr. Wilson as soon as possible. It might be added that the summer school will be operated on a no-tuition basis and there will be no cost to the school district.

The School Board elected Miss Faith E. McAuliffe to fill the only vacancy on the teaching staff, as third grade teacher. Miss McAuliffe, is a graduate of the Millersville Teachers College and has been teaching successfully in the public schools of Chester for two years. She is the daughter of Mr. and Mrs. J. W. McAuliffe, of Sabine avenue.

Two supervisors were also elected by the board for the community playground this summer. This is in line with the board's policy in providing organized supervision for the school children during

The Narberth Board of Trade will hold its regular meeting on Monday May 28, at 100 N. Narberth avenue, at 12:30 sharp. Luncheon will be served as usual. The important problem of parking in the business district will be up for consideration so a full attendance is desired.

in the movement, and scouts from other political groups along the Main Line have been unable to find any one who would admit connection with it, yet the movement is bona fide and is not mere gossip. Skeptics have the word of Squire Fred himself that this is so—and he spared no words in indicating that the organization planned active participation in both Lower Merion and Narberth politics.

Effort to get representation for the group in the Republican com-

mittee posts from the three Narberth districts was declared to be the first aim of the movement. A voice in township patronage, particularly in the post of township treasurer, a berth now held by Republican leader Peter C. Hess, will be sought later, it was indicated. Walzer referred to the post as that wonderful \$20,000 office."

"The movement for another political organization is a sure enough fact," said Squire Fred Wednesday in commenting upon the matter. "The statement last week, however, that we had interested 500 people in the idea was a bit stretched. We have got 180 signatures to a request for this new organization, but not any 500. Of these 180, about 125 are from Lower Merion and include persons from Bryn Mawr to Bala-Cynwyd. The rest are from Narberth."

"We have already had four meetings," Walzer continued, "and another one will probably be held within the coming week. The first meeting was a preliminary one to talk over plans for organization and the second was held in the Bellevue-Stratford on May 15. Two other meetings attended by smaller groups of about 40 to 60 persons were held later."

Inquiries as to who presided at these sessions were side-stepped and others as to where the later meetings were held elicited no more definite information than "at the homes of different members."

"I'm not the whole cheese in this business by any means," Squire Fred explained, "but we are not organized yet and until we are I can't give you other names and information."

"The movement isn't one of disgruntled politicians. We're not trying to disorganize any other association, we're only getting up one of our own, and trying to get representatives in every political district in the township and the borough. No one is being barred and as soon as organization is completed you'll get definite information."

Hits Stalwarts.

Asked why those he said were interested in his movement did not join the present Lower Merion and Narberth Republican Association and express their opinions through that organization, Squire Walzer declared this was not being done "because they allow only certain kinds of members."

Commenting on this later President Peter C. Hess, of the association, said: "Anybody can come into our association who is a regular Republican. We don't like members who jump in and out—first on one side of the fence and then on the other, because the success of the association depends upon party regularity and party discipline. The organization, however, is not a closed nor yet a private nor a secret order."

Efforts to verify rumors which insisted that the new political organization movement was tied up with former Senator Fletcher W. Stites, of Narberth, whose lieutenant in past years Walzer has been, met with no response.

"I'm just practicing law now," declared Mr. Stites when asked what significance the Walzer plan might have. Further comment than that, he had none.

Squire Fred asked about a Stites connection to the movement was inclined to be mysteriously prophetic. "Mr. Stites will speak for himself when the time comes," he proclaimed.

Take Move Lightly.

The first aim of the proposed organization, Magistrate Walzer claimed, would be Republican committee representation for his group in the three Narberth districts, particularly in the third, where Harold Lippincott is now Republican committeeman. Later, he declared, the township would come in for attention.

Regular Republican organization leaders in the township and Narberth while giving an ear to Walzer's talk are not yet inclined to take his claims seriously. Commenting on Squire Fred's motives they point out that he was recently replaced in a State inspector job by a Lower Merion organization man, and they also point out that he was denied the support of County Leader Johnson last fall when he expressed a desire to run on the county organization ticket for post of Sheriff.

melodious, lively overture to "Stradella," an opera by Friedrich Flo-tow. This was followed by the first movement of Schubert's Unfinished Symphony, which the orchestra played with unity and understanding.

Liszt's Piano Concerto in E flat, in three movements, was Mrs. Haskell's first number. In this, her able interpretation was well supported by a sympathetic and vigorous orchestral accompaniment, and the piece was brought up to a powerful climax.

Two short pieces, of similar spirit, followed the intermission—Tchaikowsky's "Nur Wer Die Sehnsucht Kennt," and an old Irish Cronan. Orchestrated for the Main Line Orchestra by Lois von Haupt, the latter was tinged with characteristic Gaelic melancholy, particularly well brought out by the strings.

As solo numbers Mrs. Haskell played two Etudes of Chopin and "Triana," by Albeniz, a Spanish composer, and her spirited and satisfying rendition of these pieces called forth repeated applause. She declined, however, to grant an encore.

Debussy's "Arabesque No. 1," a delicate fantasy, and Tchaikowsky's "Valse des Fleurs," from the "Nutcracker Suite," an ever-popular number, concluded the program.

Charles S. Powell, president of the association, has announced the first concert of the next season for November 18 with Gino Raho, tenor, as the soloist.

Football Captain At Lower Merion High is Elected A. A. President.

Robert Lawton Elmore, of Cynwyd, captain-elect of the Lower Merion High football team was accorded another honor last Thursday when he was elected president of the Athletic Association at the school. He is already president of his junior class and president-elect of the Boyse Hi-Y Club.

The A. A. elections took place during noon time on Thursday and votes were cast by the entire school. Frank Mantz, another Cynwdian was elected vice president of the association.

Honorary letters and sweaters were voted last week by the A. A. to cheerleaders Bob Kesler and Andy Smith. The cheerleader sweaters which are in white with maroon stripes will be awarded to the two boys next week at assembly exercises.

To Protect Flowers

Destruction of wild flowers and shrubbery along highways and in forests or wood lots by motorists is to be vigorously discouraged by the Highway Patrol. Working in conjunction with the Department of Forests and Waters, this organization will curb the practice of stripping blossoms and uprooting wild flowers, only to let them wilt in automobiles.

Motorists with fruit blossoms, or boughs of flowering dogwood may expect to be stopped and questioned about the source of their prizes.

The following should not be picked or disturbed: Arbutus, hepatica, lady slipper, showy orchid, trillium, bluebells, yellow dogs tooth violet, laurel, rhododendron, flowering dogwood fringed gentian ferns.

BIRD'S SUCCESSOR NAMED BY SCHOOLS

West Chester Rector Elected New Head of Episcopal Teachers.

Sunday schools of all Episcopal churches along the Main Line were represented at the annual election meeting of the Main Line Sunday School Association held at Old St. David's Episcopal Church, 6 P. M. Monday. Eighty teachers were present.

To succeed the Rev. Benjamin N. Bird, rector of the Church of St. Asaph, Bala, as president, the association elected the Rev. J. A. Wintersteen, rector of Holy Trinity Church, West Chester. The Rev. Charles Townsend, rector of the Church of the Good Shepherd, Rosemont, was made vice president, and William M. Claffin, lay member of All Saints' Church, Wynnewood, was elected secretary and treasurer.

Dr. Churchill Gibson, rector of St. Mary's, Ardmore, addressed the meeting on the "Personal Life of the Teacher," following devotional services. Rev. F. E. Sey-

mour, director of religious education in the Diocese of Pennsylvania, conducted a discussion on plans for next year, during which Sunday School workers reported on their methods and aims.

Miss Lily Cheston, member of the principal board and head of missionary education, spoke on "Summer Conferences."

The next meeting of the association will be held the third Monday in October, in Holy Trinity, West Chester.

"Co-operation cuts costs" is our slogan, which is not an empty collection of words, but a slogan that means "service" at a lower price than food could otherwise be sold. It exercises a restraining influence on the monopolistic chain stores who could, were it not for the co-operative stores, obtain a much higher price from the consumer. Give the co-operative stores a share of your business. Talk to the proprietors as your friends and neighbors, and by mutual contact and sympathy establish a friendship that will brighten both your homes and the stores where you buy your food.

Restricted Usefulness

It was not very long ago that the Free Library of Philadelphia began a period of greater public usefulness by opening its doors on Sundays from 2 to 10 P. M. This step put the library on a plane with the art galleries and museums as a medium of culture which is available to those who were unable to use it throughout the week.

The parallel could, without too much stretching be applied to the situation in Narberth. The Community Library, while a young and small institution, is a lusty infant and is extremely well thought of in these parts, as the recent successful campaign for funds indicates. The question is, can not its resources be made available to a greater extent? At the present time the library is open only one evening a week. Friday, and not at all over the weekend. This means that people who go in town every day and have Friday night taken up, are practically cut off from using the library.

The day time schedule at the library is beyond criticism. Every afternoon Monday to Friday from 3 to 5 and Tuesday and Thursday mornings from 10 to 12 gives ample opportunity for those who do not go in town regularly to use it if they wish. The big gap, however, is from 9 o'clock Friday night when it closes for the week to 3 o'clock Monday afternoon.

The library is constantly increasing its facilities. The recent campaign makes possible some much needed shelving, and additional tables and chairs for readers, and its stock of books is added to monthly. If the library was kept open over the weekend we venture a prophecy that its circulation figures would mount rapidly. We realize that different problems face our librarian, Mrs. Wood, since all her assistants are volunteer workers yet we feel that the obstacles are not insurmountable.

AT THE THEATER

While Mr. Colman and Miss Banky, the stars of "The Magic Flame," which comes to the Narberth Theater Monday and Tuesday, have in the past year made but two motion pictures, "The Night of Love" and "The Winning of Barbara Worth," they have firmly established their reputations as the greatest motion picture lovers on the screen. A great New York newspaper, "The Daily News," recently held a popularity contest and elected Vilma Banky the most popular motion picture actress. Ronald Colman was chosen one of the three most popular male stars.

"The Magic Flame" is human and true to life and is yet marvelous romantic entertainment. The characters are not "acting," but you feel that they are real people, living the action they portray on the screen. "The Magic Flame" was produced by Samuel Goldwyn, who has turned out more of the very highest quality motion pictures than any other producer in the industry.

Tennis player, expert horsewoman, aquatic star, graceful stage dancer and finished dramatic artist—such is Madge Bellamy featured in "The Play Girl," Fox Films release to the Narberth Theater for two days commencing Wednesday.

Since reaching stardom she has built one of the finest equipped gymnasiums and swimming pools in Hollywood adjoining her home, in which she manages to spend a few hours daily. As for her dramatic ability, her success in such roles as "Sandy," "Colleen," "Very Confidential," "Soft Living," and now "The Play Girl" prove her one of the most successful comedienne on the screen.

An intensely dramatic expose of the convict labor system opens at the Narberth Theater on Friday and Saturday in "Honor Bound," with George O'Brien and Estelle Taylor in the leading roles.

The story is about John Ogletree, who goes to prison to protect a woman, entirely unworthy of such sacrifice. After two years he is transferred to the coal mines where he finds that his former sweetheart has become the wife of the cruel and grasping coal baron who operates the mine. Having tired of her husband, she attempts to win back the affections of Ogletree which leads to a series of complications.

Gripping highlights of the production are the thrilling scenes in the burning barracks, and an automobile wreck that for excitement, exceeds anything of the kind ever before seen here.

A lady bather "barely escaped drowning" in Florida, according to a dispatch. "Barely" is doubtless the right word.

about the Garden

WHERE LIVING IS A GRACIOUS ART THERE ARE ALWAYS GARDENS.

There is in many people an appreciation of the beautiful and a love of nature that compels them to build gardens and to plant and cultivate flowers. To these fortunate ones life means more than the necessary eating and sleeping and the daily chores that go to make our days. The pursuit of momentary pleasure is not satisfying to these folks who must be doing some constructive work each day and whom have cultivated that every necessary patience, not only with green growing things, but with patient humans. It may be truly said that the gardener takes more of life by putting more into it and is ever looking forward with eyes to some new beauty with every changing season.

Time to set out dahlia plants or to set tubers. The soil should not be rich, no manure. Fertilizer is needed sand or fine coal ashes will accomplish this. Coarse bone, not fine, may be placed under the tuber or plant. Wood ashes in the soil where the tuber will build better tubers for next year. Place the stake to support the plant when you plant the tuber. The tuber will probably be shaped like a sweet potato. Dig the hole, loosen the soil, fill back to within four inches of the surface, place the tuber flat with the eye up and firm the opposite end of the tuber solid in the soil, cover the tuber with an inch of soil and hill the remainder around the edge of the depression to be filled in as the plant grows. Keep the soil moist.

The shrubs that have already bloomed can be thinned out now, old wood cut away to build a better shaped plant for next spring. Don't cut or prune the late flowering shrubs until after they have flowered.

Sow seeds of asters, ageratum, calendula, cosmos, annual flowering annual larkspur for late flowering, annual phlox, annual gypsophila and save some for later sowing, alysium where it is to grow, nasturtium, straw flowers, more Shirley poppies, annual scabiosa and don't leave out the marigolds and zinnias—and pompon zinnias.

Keep filling in around the sweet peas and have the brush or wire ready for them, they are getting ambitious and will soon want to climb and blossom.

Still lots of time to plant gladioli.

in "A" League Results Show.

The last game for Section "A" of the Inter-Church Bowling League was played May 14, but final announcement of prize winners was not made due to the fact that the Lions and Pilots had a postponed game to play on Friday evening, May 18. These teams decided not to roll this game as there was no chance to overtake the high flyers of the season—the Meteors. The steady work of the Battlers showed to good advantage in the last game rolled May 14, when they won three hotly contested games from the prize bowlers by narrow margins as shown by the following scores:

Miss Kervorkian gave some very interesting facts regarding the health of the Narberth pupils, and the number of cases which have been corrected. Very good results have followed the toxin-antitoxin treatment among the pupils and many are coming back for the Schick test to prove their immunity. Almost half of the dental cases have been corrected, but only about one-third of the cases of defective vision have been treated. Miss Kervorkian, the health teacher, is doing very good work and pleads for even more cooperation from parents.

Dr. George A. Sloan, president of the Narberth Board of Health, gave a very interesting and healthful talk on quarantines, showing how even less serious diseases could be stamped out as the more virulent ones such as leprosy and small pox have been, if parents would cooperate with the Board of Health in reporting cases and enforcing quarantines.

The banner which is received by the grade having the most mothers in attendance at the meetings was given for the fifth time to Miss Miller's room, the fourth A grade.

The Mothers Council formally expressed by a special vote its appreciation of the interest and co-operation of the local paper "Our Town" in helping to bring the work of the Council before the community.

A social hour followed the meeting, giving an opportunity to become better acquainted and enjoy the cakes and punch served by the hospitality committee.

The report of the president covering the year's work as given by Mrs. Augst follows:

To the members and friends of the Mothers' Council of Narberth, Pa.: At the close of the second year of our organization and after 16 months of affiliation with the National Congress of Parents and Teachers, it is with some measure of satisfaction that we review the work accomplished in that time.

Our Get-Acquainted Party held in September to bring the mothers and teachers into closer contact, has met with great success. This method of more intimate acquaintance between mothers of the same grade and the teacher is made more intensive by grade teas held during the year.

The one-night session of school during education week of the fifth to the eighth grades inclusive from 7-9 P. M., has given the citizens an opportunity to observe the school in operation.

The child study group of the seventh and eighth grade mothers was organized this spring and is in charge of pre-arranged mothers who make the preparation and lead the discussion following an outlined course on parents and their children. Thus it is that the burden does not fall too heavily on any one mother of the group.

The Summer Vacation Reading Club with the co-operation of the Community Library, is again making preparation for its work this summer. The

children are already asking to register.

This club opens the day school closes, June 15, and a certificate is given to each child completing the course for his grade group and a prize is given in each grade to the child presenting the best note book kept of the books read. Our aim is to guide in a subtle way the reading during the summer aside from the regular school course of reading.

The last of our special work in progress is our summer round-up campaign. June 1 is our health day, when each child entering school (kindergarten or first grade) for the first time should have a health examination. This opportunity will be given on June 19 A. M. at the Narberth School. We hope to encourage the mothers to present to the school in the fall 100 per cent, physically perfect children.

These have been our special activities but at the same time we have had a regular program of information among our speakers we felt honored in having with us Mrs. A. H. Reeve, our National President of the Parent-Teacher Association; also Mrs. E. E. Kiernan, the National Corresponding Secretary and Past State President.

The executive board feels that with the beginning that has been made along constructive, educational lines the Mothers' Council in the years to come will grow in wisdom and stature.

Respectfully submitted,

FAITH THOMPSON AUGST,

President.

ARE EXCUSED

Jurors excused from jury duty at Norristown civil court Monday include Charles Benedict, Morris Cahill, both of Lower Merion, and Anna Pray, Narberth.

A Wyoming man has been sentenced to prison because he shot a middle-aged woman he took for an antelope. What a complimentary hunter.

The Narberth club scored all four runs in the sixth inning after trailing 3-0. In this inning Hampshire started the fireworks with a single. Yowell walked, whereupon Mulligan doubled and Hampshire and Yowell scored. Masters then singled which put Mulligan on third. A neat double steal was effected on the first ball pitched, Mulligan stealing home and Masters second. Gillilan then doubled and Masters scored the fourth and final Narberth run.

Masters and Townsend both pitched good ball for Narberth, allowing only six hits between them. The box score:

DISCOUNTS STORES

CONTINUED FROM THE FIRST PAGE

"Competition between the two types of stores seems not so hard on the individual storekeeper, when it is borne in mind that the intelligence of the chain stores system is far removed from contact with customers, whose wants are filled by clerks who are in many cases underpaid, and who at best are only clerks.

"On the other hand independent storekeepers are able to keep their fingers on the pulse of the community, to maintain a constantly responsible personal contact with their customers, and to pay better wages for clerks who understand their community better and are presumably more courteous.

"Yes, individual dealers need not worry about chain store competition, so long as they make attractive arrangements of merchandise, hire efficient help, take phone orders and give prompt delivery service to their customers."

Mr. Wood concluded by expressing admiration for men with courage to start in business for themselves, and declared that for such enterprise a higher type of courage is required than that of a man who works his way up in a large business to become an executive.

Three new libraries, tree planting, garden clubs, all sorts of charitable help, and classes in every subject from better English to cooking.

A resolution was passed to the effect that the Montgomery County Federation of Women's Clubs stand back of the Penal farm for Montgomery county and that they will do everything in their power to make this a reality. This resolution to be sent to the County Commissioners, the Penal Board and their solicitor.

Mrs. Richard J. Hamilton, chairman of the Southeastern district of clubs, asked for a library for the county and thanked the clubs for the splendid work done this year.

A box luncheon was served and in the afternoon the County Chorus sang several selections. Our own Mrs. Stanley Reichart in old-fashioned costume accompanied by Mrs. H. G. Venneman gave some musical readings.

Mrs. E. S. Griscom gave an illustrated talk on conservation of birds and wild flowers. She said the United States is long on production and short on conservation, and that any individual can have ideas and ideals but it takes organization to project these. She asked for community woods, and parks, bird sanctuaries, nature studies in the Public Schools, and closed by saying that when a band of women get a vision nothing can stop the onrush.

Kew-Bee

This is the name of the loaf of bread we bake and serve...and back, with our judgment, our conscience and our confidence...as to its purity, its flavor, its quality, and its power to build Health and Strength

The origin of **Kew-Bee** is interesting.

It is a trade name, of course, but it is a trade name that means something.

"Kew" is the word you would use if you spelled the letter "Q" in the way you pronounce it.

"Bee" is the word you would use if you spelled the letter "B" in the way you pronounce it.

Q-B are the two letters of the alphabet that mean the most to us.

They stand for Quality Bread—the baking of which, and the serving of which to the people, is our sole occupation.

They stand also for Quality Bakers, an organization of co-operative and non-competitive wholesale bakers of which we are a member and about which we have told you in previous announcements.

Kew-Bee representing Quality Bread and Quality Bakers, has a background that makes it stand out as a Distinctive Product in the Baking Industry.

There are all sorts of names given to loaves of bread, but we do not know of any other name that carries with it so plainly its relationship to the organization that sponsors it, as **Kew-Bee BREAD** does.

Quality Bakers are **Kew-Bee** Bakers. Remember the significance of the name—**Kew-Bee**—in buying bread for use in your home.

Does it not convey to you confidence in its purity, its flavor, its quality and its power to build Health and Strength?

THE SILVER CUP shown above is awarded by Quality Bakers of America to the member whose loaf of bread registers the highest yearly percentage in the regular monthly tests that are made by this organization. We won this cup twice in Williamsport.

THE HONOR AWARD PLAQUE shown below goes to the member of Quality Bakers of America who wins honorable mention six months out of every twelve in the Better Bread Contests of this organization. We won this in Williamsport also.

Quality Bakers think we are all right; the people of Williamsport think we are all right; and we believe the people of Norristown and vicinity will think we are all right after they learn to know us as well as Quality Bakers and Williamsport know us.

We put into **Kew-Bee BREAD** plenty of Milk, which everybody now knows is a Health Builder.

We put into **Kew-Bee BREAD** all other Quality Ingredients that Quality Bakers of America have learned by experience are essential in the making of a loaf of bread that will sustain its Quality continuously.

We apply every method known to science in the baking of **Kew-Bee BREAD**.

We surround **Kew-Bee BREAD** with every sanitary protection in its baking.

Kew-Bee BREAD, when it leaves our bakery to go into your homes, is a safe, clean, wholesome product.

We believe that the day has gone by when it is necessary for any home to bake its own bread if it is within a territory served by a modern bakery.

We are equipped to serve **Kew-Bee BREAD** to all homes within a radius of 25 miles or more of Norristown.

Just let your dealer know you would like to have **Kew-Bee BREAD** served to you, and we will serve it to him to serve to you.

You'll know how good **Kew-Bee BREAD** is after you have eaten it once, and then we are sure you will want it daily.

We know you are going to like **Kew-Bee BREAD** and that you will take as much pride in having it in your home as we will in seeing that you get it.

Kew-Bee BREAD has been tested in every way and it qualifies in every respect. It is Stroehmann's standard loaf and that is a guarantee of its Quality

GIVE FINE EDITIONS

Literature Group of Women's Club
Make Gift to Library.

The Literature Group of the Narberth Women's Club has recently made a very interesting and inspiring gift to the Children's Department of the Community Library. The gift consists of one small chair to complete the set that surrounds the children's magazine table and eight books to be used discriminately in that same department.

Mrs. W. C. Newman, of Anthwyn road, chairman of the Group for the past year, turned a sum of money over to the library with the request that this sum, contributed by the members of the class, should be used to buy as many as possible of children's books, well printed, well bound and illustrated by well-known artists. The object of this purchase is to stimulate an interest in fine editions and to arouse an appreciation for them.

These books will circulate only among such children as are known to be scrupulously careful in their use of books, and an honor list will be kept at the library of those who have read and returned them in good condition.

The library had previously started such a collection, composed of "Mr. Chick, His Travels and Adventures," by Lucy Fitch Perkins; "A Little Boy Lost," by W. H. Hudson, illustrated by Dorothy Lathrop; "Marigold Garden," by Kate Greenaway, and "The Katie Kruse Dolly Book," by Rose Fyleman.

The new books in the group are as follows:

"Illustrated Bible Stories," Old Testament, by Seymour Loveland; "Illustrated Bible Stories," New Testament, by Seymour Loveland; "Arabian Nights," edited by K. D. Wiggin, illustrated by Mazfeld Parrish; "Golden Age," by Stephen Graham, illustrated by Maxfield Parrish; "Story of Noah's Ark," by E. Boyd Smith, and "Alice's Adventures in Wonderland," illustrated by Sir John Tenniel.

These books are kept on a special shelf at the library and may be examined on request.

the summer vacations. C. T. Clark was re-hired as supervisor for boys in the higher grades and Miss Elizabeth Purse and Miss Gladys Vandling were appointed as supervisors for children in the primary grades. Both are local girls and will graduate from Miss Ilman's School for kindergartners in Philadelphia this June.

This system with three supervisors at the playground will be in operation from July 2 to August 25. The hours during which the supervisors will be on duty are 9 to 12 and 1 to 4, with Saturdays 9 to 12 only. July 4, will also be omitted.

Dr. Walter Steckbeck was re-elected treasurer of the School Board, his new term beginning July 1, 1928.

The local public schools will close for the present school year on Friday, June 15 and will re-open in the fall on Monday, September 10.

The board announces that its next meeting will be held on Friday, June 8, instead of on the 15 as would have been the case except for the close of school.

SAIL FOR UNVEILING

On Memorial Day there will be ceremonies at Princetown, Dartmoor, England, that will be of interest to all of us because the occasion is the unveiling of the Memorial Gateway and Tablet, which the National Society of United States Daughters of 1812 has erected at the American cemetery there. Doctor and Mrs. Samuel Z. Shope, of 108 Iona avenue, sailed for England on the George Washington last week to be present at the unveiling. Mrs. Shope, who is the national president of the society, will deliver the dedication and presentation address and Doctor Shope will bring greetings from the Sons of the War of 1812 and other American patriotic societies of which he is a member.

GIVE MAY FETE

Students of the Sisters of Mercy Academy at Merion gave a May festival, dance and pageant Tuesday. Their colorful costumes and the rich pageantry of their procession as it wound along the green turf before a large gallery, attracted considerable attention from Montgomery pike, where traffic was blocked for several minutes as a result. Miss Rosalie Belfi was Queen of the May.

If you have tried to dig any worms lately you'll understand why Coolidge has changed to flies.

Anyway, the bugs and worms and pests will admit that the garden season has been a success.

RIDLEY PARK WINS

CONTINUED FROM THE FIRST PAGE
mark set by Howard "Egg" Morris of Lower Merion's championship team of two years ago. Gene Kuen, a running mate of Morris' that year, had his high jump mark broken, when Bobby Corrigan of Lower Merion and Roberts of Ridley Park tied for first in the high jump. Each leaped 5 feet 9 inches, bettering the old mark by one inch. The other mark to go by boards was the javelin record, when Fisher, of Abington, set the new standard at 158 feet 4 1-2 inches, a remarkable toss for a schoolboy.

Lower Merion's inability to place in the pole vault was the cause of her defeat. It was not that she didn't have good vaulters, but due to illness Ossie Smith was unable to compete and John Baker was off form. All during the season both Smith and Baker have vaulted consistently over 10 feet, but Baker didn't even place, although the winning vault was only 9 feet 10 inches. Had Baker vaulted as he usually does Lower Merion would have won another five points, which subtracted from Ridley Park's score would have meant victory.

Wednesday afternoon, on the Lower Merion High School field, Lower Merion staged a come-back to defeat Haverford High, in a dual track meet, by the score of 75 to 25. Haverford could not cope with the strong, well-balanced Maroon and White, going down to defeat by an overwhelming score, though every race was a fighting battle.

Boehringer started Haverford off to a good lead when he captured the 100-yard dash, with his teammate, Albeck, nosing out Gerenbeck, of Lower Merion, for second place.

GILFILLAN CAMP

Swimming Club

Spring Lake

Paoli, Pa.

The primary object in joining a club of this kind is that one may go there for a couple of hours in the evening for some real exercise and relaxation or enjoy a whole day in the great outdoors.

Spring Lake, because of its accessibility to the Main Line and its natural beauty, makes it irresistible. The location, combining the attractions of woods and fields, provides ideal picnic spots. The lake affords quiet, shallow water for canoeing. There is a beach for timid swimmers and beginners, and for the more advanced swimmers and divers every facility for water sports, tennis, basketball and other sports is offered. The year-round membership includes ice-skating privileges.

There is health in the great outdoors—health in its fullest sense—physical, mental, spiritual. Our late President Roosevelt said: "To be fit mentally, one must be fit physically." This exclusive little place will serve the latter purpose.

Adults, \$10.00; six to sixteen years, \$5.00. Children under twelve years of age must be attended by adults. Guest, accompanied by member, 50 cents. Special rates for families. Swimming instructions, six lessons for \$5.00.
